

We Are In The Bible

The Bible Code

This is the documentation referred to in the sermon, [“We Are In The Bible”](#) by Nathaniel Bronner Jr. The book, “The Bible Code” by Michael Drosnin explains the theory and proof of God’s Word foretelling the future. The 400+ pages of the book tell a fascinating account of actual people and events written of thousands of years before it happened.

“I make known the end from the beginning, from ancient times, what is still to come. I say: My purpose will stand, and I will do all that I please.”
(Isa 46:10 NIV)

The computer program used to find people and events in the Bible is called “BibleCodeOracle” at www.biblecodeoracle.com. You can purchase it and prove it for yourself. The BibleCodeOracle is \$20 and works on PC computers. The current version will only run with Microsoft.net Framework ver. 1.1 not 2.0. The company may update this in the near future but download the trial version first to make sure that it runs on your computer.

Prove it for yourself.

The program has two settings that you can change to modify the search.

SKIP – This basically says how tight the search is. The default setting is 20,000. A lower number means a tighter (better) match and a higher number will yield more hits.

ADJACENCY – This sets how tight a match must be between two words. The default setting is 8.

BRONNER in the Bible

This is a screenshot of the first match (hit) of BRONNER in the Bible. Wherever the word is has to occur in a verse or series of verses. The relevant verse(s) where it occurs is also listed in the program. This was searched on with a 1,000 skip setting, much lower than the default 20,000 so the hits are much less and therefore you would think also more relevant.

Also, the longer the word, the less hits. Some English words have Hebrew equivalents with very few letters. The fewer the letters, the more hits. BRONNER has six letters in the Hebrew equivalent. Of course since the first

five books of the Bible are written in Hebrew, that's the language The Bible Code must use to search. English versions of the Bible won't work.

The first verse of the Relevant Verses is Genesis 6:19.
And of every living thing of all flesh, two of every sort shalt thou bring into the ark, to keep them alive with thee; they shall be male and female.

That is particular significance to us for several reasons.

1. Our church is called [The ARK of Salvation](#).
2. It is pastored by three Brothers. Nathaniel, C. Elijah and James Bronner
3. Noah's Ark contained three brothers and their wives and Noah and his wife.

The screenshot shows the 'Bible Code Oracle' application window. The search term 'BRONNER' has been entered, and the results are displayed in a table. The 'Relevant Verses' section highlights Genesis 6:19. The 'Hebrew' section shows a grid of Hebrew characters with the word 'BRONNER' highlighted in blue.
